

Description	
Job Title	Patient Care Specialist - US
Reports to Title	US Patient Marketing Manager
General Accountability	<p>Our mission is to Profoundly change the standard of care by creating a tomorrow where clinicians can confidently ablate tissue with precision; a tomorrow where patients have access to safe and effective treatment options, so they can quickly return to their daily lives. Changing the standard of care is part of our fabric. We are a group of energetic, problem-solvers focused on innovation, and looking to change the world. We are changing the paradigm for treating diseases such as prostate cancer by using real-time MR Imaging, thermal ultrasound and close-loop temperature feedback control, to gently ablate the diseased tissue with minimal side effects.</p> <p>If you share our values and want to work in a collaborative results focused culture and want to make a Profound impact in healthcare and your career, here is your chance.</p> <p>The Patient Care Specialist plays a key role in optimizing the TULSA Procedure Patient experience – from the patient’s very first interaction with Profound through their survivorship. Based on the Patient Care Specialist’s patient relationships and interactions, they will lead the development of the patient testimonial program, contribute to the development of patient content, and identify/address new patient needs.</p>
